Personal Reward Volume (PRV) is an accumulation of an Affiliate's or Member's monthly personal and guest purchases.

Personal Reward Volume is counted in an Affiliates Channel 3+ Team Volume (TV).

Channel 3+ TV is counted in or rolled into the Channel 2+ TV, which is counted in the total Team Reward Volume Channel 1+ TV. Based on Rank: 10% or 15% of the Team Volume (TV) requirement must come from the equivalent of a third channel.

Earn double ZEN MAKER 1 recognition bonus if you reach Zen Maker 1 Status within your first two full months and maintain it for two consecutive months.

The ZENNOA Rewards Plan is capped at a maximum payout of 51% of the company monthly RV (Rewards Volume). If the cap is reached, an adjustment will be made at ZENNOA's discretion.

Calculating the quarterly Leadership Rewards Pool Bonus: After all bonuses and promotions are paid, the remaining RV not paid out in the calendar quarter is allocated to the Leadership Rewards Pool Bonus where the remaining RV is divided among the earned shares in the pool.
